Evan,

We spoke yesterday after you sent this email. The well is already to surface. I am also in contact with Brody Connell about the work needing to be done. Please proceed with any work you need to do.

Thanks,

You don't often get email from evan_johnson@oxy.com. [Learn why this is important](#)

Good afternoon Dave,

Good talking to you today. As we discussed, we need to get on the well shown below for the re-entry. The well has already been located and we are about a week or so away from bringing the well to surface.

Please reply to this email confirming that you approve.

Thank you!
