

A revised MBTA Report dated May 1, 2024, was attempted to be submitted on May 2nd as indicated by the “Received” stamp in the screenshot below. My colleague, Holly Hill, mentioned having Webforms issues. Upon receiving the follow-up FIR No. 696205931, I found the below document in DRAFT status, revised the comment, and attempted resubmission. I also encountered Webforms issues with the below document and have opted to submit a new Form 4 with the revised MBTA Report dated May 1, 2024.
