Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

2019 Incline Energy II of Dallas Texas acquired a 30 mineral three year lease from SAHF Recourses Denver Colorado from Steven A Winter and Domino Wyoming Oil Company. This three year lease was for the period of 11/12/2019 till 11/11/2022 at midnight. At expiration this lease became null and void. NO PAYMENT WAS RECIEVED OR TENDERED therefore the two year option became null and void. An electronic notice, to his phone number was provided to Mr. Bryan Hymer of the option lease failure with in a few days.

Not relevant, seventeen days later a FEDEX envelope left Houston Texas at 5 pm on November 26, 2022, arriving Denver on Monday November 29 2022, was seventeen days late from the lease expiration date. Improperly Mr. Hymer filed an affidavit per Section 38-42-106 CRS and I quote "that payment has been properly tendered to the lessor on November 9, 2022 before the expiration of the primary term". This affidavit was signed on December 1, 2022 and then notarized on December 2, 2022 by Bryan Hymer.
