

Kerr-McGee Oil & Gas Onshore LP

Community Consultation Plan

Larkspur Fed Oil and Gas Development Plan (OGDP)

Weld County, Colorado

March 2024

LARKSPUR FED OGD PROXIMITY TO RBU RECEPTORS

Pad or Facility	# RBUs within 2000'	Closest RBU to Working Pad Surface (WPS)	# RBUs within 1000'
Larkspur Fed	0	2,000'+	0

- The planned development avoids impacts on residents by well pads and facilities located more than 2000’ from the nearest Residential Building Unit.
- Traffic will be contained within the LARKSPUR FED OGD boundary, U.S. Highway 85, and CR 26.

LARKSPUR FED OGD BLOCK GROUP DEMOGRAPHICS

Located within 2,000' of a DIC	Block ID	EnviroScreen Score Percentile and Percent	Low Income	People of Color	Housing Burdened	Low-English Proficiency
Larkspur Fed	081230018001	72.424 percentile and 39.469%	34%	32.4%	21.5%	2.7%

* Over the past 12 months

- The LARKSPUR FED OGD is under the 80% EnviroScreen percentile and does not exceed 40% in Low Income, 40% in People of Color, 40% in Housing Burden, or 20% in Low English Proficiency.
- The LARKSPUR FED OGD is more than a mile away from Disproportionately Impacted Communities.

PLANNED COMMUNITY CONSULTATION

Stakeholder Best Management Practices (BMPs):

- The Stakeholder Relations team is a dedicated resource for community members, and we are available during daytime and evening hours. We respond to community inquiries within one business day.
- Proactive community consultation includes sharing information, listening to community members, and considering their input and concerns related to all aspects of our operations, including public health, safety, and welfare
- We offer multiple ways for stakeholders to communicate with us including phone, mail, email, text, in-person, and our stakeholder website. We will adapt our outreach to meet each stakeholder’s preference

The following provides specific details about our planned outreach for the Larkspur Fed OGD. A final report detailing all community engagement will be submitted to the ECMC before the OGD hearing.

Planned Community Consultation Throughout Permitting:

- The stakeholder team is available to those with questions or interests in this OGD to listen to feedback and answer questions. The OGD area is not linguistically isolated; however, we will include an offer for interpretation services

- We will offer the community a variety of engagement opportunities, such as community meetings, door-to-door, small group meetings, phone calls, and emails upon request
- In addition to having direct conversations and other notices, we will send the completeness letter to all interested parties and post it to the stakeholder website. The letter will include the following information:
 - Proposed location description and map, including legal description
 - The number and orientation of wells, types of equipment, and infrastructure related to anticipated operations
 - A description, proposed timeline, and expected duration of planned operations, including construction, drilling, completions, production, and reclamation
 - The proposed haul routes and traffic volume associated with each phase of operations
 - A description of each stage of operation along with a description of our BMPs to mitigate potential impacts, including noise, light, odor, dust, traffic, and visual
 - Contact information for our Stakeholder Relations team

Planned Community Consultation After OGD Approval:

- Send all required ECMC and Weld County notices
- Provide frequent project updates and post all notices and hearing information on the dedicated www.OxyColoradoStakeholder.com/project-updates web page
- Throughout the entire life of the wells and facilities, our Stakeholder Relations team is available via:
 - **Phone:** 1.866.248.9577
 - **Email:** ColoradoStakeholder@oxy.com
 - **Website:** OxyColoradoStakeholder.com
 - **Our 24-hour Integrated Operations Center:** 970.515.1500
