<p><b>ECMC Inspection Report Summary</b>                      WEATHER CONDITIONS: sunny, dry ground.                      On Wednesday, July 17, 2024 at approximately 1215, I, Inspector Brittani Santistevan, conducted an on-site inspection at SHELTON G 23-22 (Noble Energy, Inc), at location ID: 309824 in WELD COUNTY, Colorado.                      While there, I observed a shut in facility.                      During this inspection the following possible compliance issues were observed:                      1. It appears to be overgrown vegetation outside of the wellhead fencing. Comply with Rule 606. (Corrective Action Date: August 1, 2024) See attached photo #3, 4.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	santistb	07/18/2024
