Good Afternoon,

We had a state reportable release today due to fluid daylighting from the subsurface at the separator. The release has been controlled and clean-up activities are currently in process. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads. A Form 19 Release Report is forthcoming.

The following have been notified via specified method below:

- Weld County contacted via electronic mail
- Surface Owner notification in process

The Environmental Release/Incident Report Hotline and Colorado Parks and Wildlife was not contacted as this release did not trigger notification requirements per 912.b.(2)B.
