RE: State "A" #1
SWNE Section 29-T7N-R53W
Logan County, Colorado

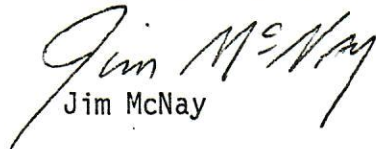

Dear Ladies and Gentlemen:

Walsh Production, Inc., operator of the captioned well, is filing an application with the Colorado Oil and Gas Conservation Commission requesting authority to convert the State "A" #1 to an underground water disposal well.

In compliance with the Colorado Oil and Gas Conservation Commission regulations governing this application, more particularly Rule 326, we are required to notify all surface and mineral interest owners of record, within 1/4th mile of the proposed water disposal well, of the filing of this application.

A public hearing on the authorization of the proposed operation may be required before the Commission. Additional information on the operation for which authorization is being applied for may be obtained at the Colorado Oil and Gas Conservation Commission office located at 1580 Logan Street, Suite #380, Denver, Colorado 80203.

Very truly yours,

Jim McNay
