Comment:

At least 3 growing seasons have passed since last known reclamation work had been performed on the Location.

It was observed in this inspection that the Location is progressing towards ECMC 1004 Reclamation standards.

Continue to monitor and manage reclamation on the Location. Conduct work as needed to ensure the site continues to progress. Once the site has met 1004.c standards, submit a Form 4 Sundru Notice "final reclamation complete" and a final inspection will be scheduled.
