Hi Rebecca,

An issue came up earlier this week on a different project that might also impact your project regarding working in the gulch on removing the staining. I am finalizing an email to you that will provide additional details and will be sending it off shortly.

Thanks
Alex

Hello Kris -

I wanted to notify you that POC-I LLC will have a dedicated 3-4 man crew in the Ilse Dome Field starting Monday, August 5, 2024. The crew will be there for the whole week working on removing staining in the drainage and doing general cleanup in the field.
