Comment:

Previous FIR (doc #697500470) documented that the Operator had performed final reclamation activities at the location. During this inspection, it was observed that the abandoned location has Colorado List C Noxious Weed (Field bindweed) throughout the former disturbance area; this is being addressed under "Good Housekeeping".

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. ECMC may conduct follow-up inspections prior to receiving said notice to ensure compliance with Rule 1004.
