General Comment:**ECMC Inspection Report Summary**

On Wednesday 8/8/2024, I, Inspector Scott Ramsey, conducted a routine inspection at Peakview Grassy Creek Coal #2, at Location # 316747 in Route county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed normal production operations. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.

During this inspection the following possible compliance issues were observed:

1. Some weeds around equipment
2. Random staining
3. Unmarked tank not in a containment

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
