Operator Name: TEP ROCKY MOUNTAIN LLC #96850

Location ID: 335052

August 9, 2024

August 9, 2024

Photo 12: Photos taken from the sediment trap on the southwest end of the Location. BMP has not been installed or maintained in proper functioning condition; BMP has not been installed with a properly engineered outlet; geotextile lining in conjunction with the rip-rap material not observed; slopes within outlet lack stabilization and erosion degradation / sediment transport is evident.
