<p>ECMC Audit/Inspection Report Summary                      On Thursday 8-22-2024 at approximately 1245 hrs. I, Inspector Robbie Revas, Conducted an on-site audit/inspection: This Field Audit/Inspection is a follow up to FIE doc # 702403417 due to a 901 order.                      Operator: KP Kauffman                      Location name:                      Location ID # 336222                      Well Name: Thomas L Russell 'D' 1                      API # 05-123-08595                      County: Weld                      Weather: overcast.                      Temperature: 75*                      Location: dry.                      While there, I observed a wellsite, SI at the time of the inspection.                      During this inspection, I observed the following possible compliance issues:                      606 housekeeping: Debris, CA date 3-29-2024.                      417.b MIT: Shut in wells, CA date 4-21-2024.                      See attached photos.                      A follow up site inspection is needed to ensure that the addressed Compliance issues comply with ECMC rules.                      Any Corrective Actions from previous inspections not addressed are still applicable</p>	revasr	08/22/2024
