Financial Assurance	<p>ECMC Director obtained copies of bankruptcy documents confirming assets transferring by Assignment and Bill of Sale to GNG Colorado Operating LLC, a Wyoming limited liability company as "Assignee", (GNG), effective March 1, 2024 (document attached) from bankrupt Paradox Resources, LLC and its subsidiaries and affiliates, namely Paradox Upstream, LLC and Four Corners Energy, LLC, individually and collectively, "Assignor".</p> <p>American Helium Operating, LLC, a registered Operator with ECMC since 6/25/2024, produced a letter asserting GNG as a wholly owned subsidiary of American Helium Operating, LLC, having changed its name from GNG to American Helium 3/18/2024. From the Director's perspective American Helium Operating, LLC has provided sufficient supporting documentation, subject to perjury and being an accurate and legal claim, to allow this Intent to Transfer to be created with the Director's administrative authority to complete a rightful transfer as asserted. The purpose of the Form 9 is for ECMC to synchronize the data from the free marketplace transactions and agreements between Operators, and to identify rightful and accountable owner/operator of wells and all associated/related facilities. Form 9 Intent is herein created this date so as to effectuate such a transfer to American Helium Operating, LLC.</p>	08/08/2024
