General Comment:**CECMC Inspection Report Summary**

On 08/26/2024 at approximately 09:14 hours, I, Compliance Specialist, Wayne Smelser

Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC CLOUGH RWF 14-13 Pad.

Location # 324285 in Garfield County Colorado.

Location is within High Priority/Density Habitat areas & in close proximity to Bald Eagle Roost site.

Location is approximately 24 yards from a creek/drainage that contributes to the Colorado River.

While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1. Stormwater - Erosion & transport of sediment off location & into vegetated areas/failure to minimize erosion & the transport of sediment with a CA date of 09/10/2024

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with CECMC rules.

This is a summary of inspection report.
