RE: Form 9 Transfer of Operatorship

Dear Ms. Schoepflin,

During a recent audit of pit facilities operated by Evergreen Natural Resources LLC, multiple pit facilities were discovered that ECOM records reflect operatorship by a predecessor company of Pioneer Natural Resources Inc., Evergreen Operating Corporation. As such, Evergreen Natural Resources LLC wishes to transfer operatorship from Evergreen Operating Corporation to Evergreen Natural Resources LLC. As detailed in the documents provided, the sale of said assets from Evergreen Operating Corporation to Pioneer Natural Resources Inc. occurred in 2004, and Pioneer Natural Resources retained the assets until 2018. On July 1, 2018, the assignment, conveyance, and bill of sale became effective for the sale of assets in the Raton Basin, as outlined in the below document.

It is the intent of Evergreen Natural Resources LLC to transfer operatorship from Evergreen Operating Corporation to Evergreen Natural Resources LLC. Robert Lucero, Las Animis County Oil and Gas Inspector, has been notified of our intent. Thank you for your assistance in this manner.

Sincerely,
