RE: Form 9 Transfer of Operatorship

Dear Mr. Lucero,

During a recent audit of pit data on record with the ECMC, ENR found a number of pits that were registered under Evergreen Operating Corporation. These pits were never transferred from Evergreen Operating Corporation to Pioneer Natural Resources Inc., and subsequently never transferred to Evergreen Natural Resources LLC. Per Rule 218.d.(1).C.iii. ENR is required to notify local government of the transfer of operatorship. This email is to notify you that ENR is currently in the process of transferring these facilities to accurately reflect the current operatorship of these facilities. A list of facilities to be transferred is listed below. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads 'TJ Fernandez'.
