--	--	---

14. DESCRIBE PROPOSED OR COMPLETED OPERATIONS ON THIS FORM (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent)

15. DATE OF WORK 9-20/25-90

All equipment was removed from this hole. Ten sacks of cement were placed at T.D. (1296') covering the zone producing water. The hole was then filled with sand and shale cuttings to the surface casing (24'), which was filled with cement. A properly marked dry hole marker was placed in the top. All cement was hand mixed.

16. I hereby certify that the foregoing is true and correct
