Dear Sir:

Please send us a plat or map showing the location  
of your # 7 Brick Tidewater-Pan Am well. Your Intention to drill  
shows this to be in lot 5 Section 4, Township 1 N- Range 102 West.

Is the range correct? What line is the 194 feet measured  
from? Please advise us soon.

Very truly yours,  
Oil and Gas Conservation Commission

Dear Jules;

Doucette

The rge. was a typographical error, should have been  
194 feet South of center line and 1100 feet East of West  
line of Lot 5, Sec. 4, T1N., Rge. 102W. 6th.

Regards,

Ed. Delaney
