Dear Mr. Delaney:

Lot 5 in Section 4 contains portions of all quarters in the section.

If this well is 100 foot from the North line and 200 foot from the Westline of Lot 5, this would place the well in the SW $\frac{1}{4}$  of NW $\frac{1}{4}$ .

We are assuming that this is the case and have added this description in your Intention to Drill the # 2 Tidewater Oil Company well.

If this is not the case, please furnish us with a plat or clarify same.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
