Dear Mr. Delaney:

In checking through our files, we find that you have several wells which have not been reported on for some time. A tabulation of these wells is as follows:

<u>Well</u>	<u>Location</u>	<u>Last Report</u>	<u>Date</u>
Tidewater-Pan Am #9A	Lot 5 4-1N-102W	Fm. 4-Shut in	12/18/67
Tidewater-Pan Am #11	Lot 5 4-1N-102W	Fm. 4-Change Plans	12/18/67
Tidewater-Pan Am #11A	Lot 5 4-1N-102W	Fm. 4-Shut in	12/18/67
Tidewater-Pan Am #3	Lot 5 4-1N-102W	Fm. 4-Shut down	3/30/68
Hill #4	Lot 10 7-1N-101W	Fm. 2-Deepen	7/12/67
Hill #6	Lot 22 6-1N-101W	Fm. 4-Shut in	6/29/66

If any of these wells have been completed, we need a Form 5 Completion Report, and a Form 10 Certificate of Clearance if they are on production.

Please file a report on each of these wells showing the present status.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
