

Extraction Oil and Gas, Inc

**T-Bone XOG-28 Pad  
Land Use Description**

Section 28, Township 5 North, Range 66 West  
Weld County, CO

## SITE LOCATION

The proposed T-Bone XOG-28 Pad is located in the S ½ SW ¼ of Section 28, Township 5 North, Range 66 West, 6th P.M. The pad site is zoned Ag in the Town of Milliken, CO on cropland within the Western Great Plains Range and Irrigated Region Land Resource Region (LRR) of the Central High Plains, southern part Major Land Resource Area (MLRA).

The surrounding properties are primarily utilized for cropland and rangeland. Land or properties within ¼ mile the T-Bone XOG-28 pad site consists of agricultural and irrigated land. The site has a current land use as cropland. Surrounding vegetation cover within proximity to the site includes cultivated crops. There are no known weed infestations at this location.

## RELEVANT LOCAL GOVERNMENT

The Town of Milliken, CO is the Relevant Local Government with land use authority. The Town's current Zoning District for the subject property is "AG (Agricultural) Zone". Oil and Gas facilities are allowed in this district, subject to an approved Special Use Permit.

## FEDERAL LAND USE DESIGNATIONS

The surface where the proposed T-Bone XOG-28 pad is located is owned by FEE. There is no Federal surface proposed for occupancy.

## SURFACE OWNER DESIGNATED USE

The subject property is designated as cropland use as of the submittal of this application. Final reclamation contemplates returning this property to cropland following the plugging and abandonment of the wells and decommissioning of any facilities or surface equipment.
