Dear Mr. Delaney:

In October, 1969, we sent you a form letter asking that you submit a Form 5, "Well Completion or Recompletion and Log," on your No. 11-A Tidewater-Pan American well located in Rangely field. To date, we have not received this report.

We would also like to know if there has been any change in status of the No. 14-A Getty-Pan American and the No. 4 Hill wells.

Your early attention to this matter will be appreciated.

Very truly yours,

H. H. Morrell
Senior Petroleum Engineer
