General Comment:**Flowline integrity inspection**

Staff Mike Longworth was inspecting unregistered domestic tap that was notified of by Compliance Specialist Smelser, Wayne. Domestic tap was discovered by Scott Ramsey during an inspection on 5/10/2022 doc # 70074178. Corrective action given was to "Provide documentation of domestic tap" by 6/24/2022.

Resident of the property made contact with Mike Longworth at domestic tap and reached out to her father land owner and TEP employee Brad Moss. Brad meet me out at the domestic tap and discussed the tap and explaining he had believed it to have been registered along with another domestic tap nearby. Brad said he would look into it.
