Re: Reclamation of Sleeping Lion #11-1, #12-1
and #12-2 located in sections 11 & 12,
T1N, R85W near Toponas Colorado.

Dear Larry,

It is my understanding that one of the sites has been reclaimed and the other two are pending. I would like to thank you for your timely response to this issue. The landowner has informed me that you have selected him to be the contractor for rehabilitation of the final two sites. He has requested an extension until August 1, 1995 to complete the work. This letter serves as verification that the extension has been granted. Please notify me when the work is completed so that I can inspect the sites and initiate plugging bond release.

If you have any questions regarding this or related matters please feel free to call me at (303) 878-4252.

Sincerely,

James J. Adkins
