Dear Mr. Waggoner;

Have finally got to get to the Oil Site and Determine its location. Upon examination in the field I have determined that the oil well was drilled in the exact center of the Section. Section 9, Twp. 1 North, Range 80 West of the 6th. Principal Meridian Grand County, Colorado. Am sending you a plat of the section and the relation of the center of the Section to the North and South Lines.

Sincerely,
