Department Director
Oil & Gas Conservation Commission
State Services Building
1525 Sherman Street
Denver 3, Colorado

Dear Mr. Rogers:

As requested by your letter of October 5, 1960, we enclose a map which does show Township 1-74 in Costilla County. It is located in the lower right hand corner of this map where the red coloring is shown.

On the Notice of Intention to Drill we have colored in red that part of the grid which is covered by the Reed Lease. The lease is quite extensive and we therefore enclose a verifax copy of the description for your information.

Also enclosed is a verifax copy of a surveyor's plat showing the drill site. We will shortly obtain and forward to you the required \$2,500.00 bond.

Very truly,

MOSES & DeSOUCHET
