Gentlemen:

This is written with reference to the intention to drill filed by you for the Eastdale Oil Company on their # 1 Reed well.

We are unable to locate any map that shows Township 1N, Range 7 $\frac{1}{2}$  W in Costilla County. If you can supply us with a surveyor's plat, it will be helpful.

The Intention should also show the extent of the lease on the section grid.

A \$2500. surety bond is required for each well or a \$10,000 Blanket bond to cover all wells drilled on private land. ✓

We are returning your Intention for clarification as to the location and extent of lease. Also enclosed is a copy of the Rules and Regulations of the Commission and bond forms.

Very truly yours,  
OIL AND GAS CONSERVATION COMMISSION
