Re: Bond # 11-601-103- \$2500.
Eastdale Oil Company
1 Reed- 23-1N-7 1/2 W

Gentlemen:

In answer to your letter of October 31, wish to advise we have not received a completion report on this well from the Eastdale Oil Company. Last report was received March 13, 1961 at which time we were advised drilling would resume again in September with a larger rig.

When we have received the required forms, bond can then be cancelled.

Very truly yours,
OIL AND GAS CONSERVATION COMMISSION

A.J.Jersin, Director

Doucette
CC: Eastdale Oil Co.
Mesita, Colorado
