General Comment:

This is a follow up inspection to Field Inspection Report Doc.# 697504822. The previous inspection was an interim reclamation inspection and this inspection was a final reclamation inspection at the well location.

The well was plugged and abandoned 9/4/2024. Form 6S Doc.# 403934284 remains in-process.

Location**Lease Road:**

Type	Main		
comment:	Operator and Surface Owner came to a resolution about contractors and Operator representatives regarding the proper route and trespassing by installing a gate at the entrance off CR54.

Comment:

<p>Well location- Operator has performed final reclamation activities, with the evidence of drill rows and straw crimped mulch. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.</p> <p>Tank battery- ECMC will inspect location at a future date.</p>
