ECMC Inspection Report Summary WEATHER CONDITIONS: cloudy, dry ground. On Thursday, October 24, 2024 at approximately 1015, I, Inspector Brittani Santistevan, conducted an on-site inspection at SCHMIDT 19-9G (Noble Energy, Inc), at location ID: 327589 in WELD COUNTY, Colorado. While there, I observed a TA wellhead. During this inspection the following possible compliance issues were observed: 1. It appears to be overgrown vegetation surrounding the wellhead. See attached photo #1, 2. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.	santistb	10/24/2024
