Weld County, CO

COLORADO
Energy & Carbon Management
Commission
Department of Natural Resources

Inspection Photos
Location Name: Pronghorn F-17 Pad
Location ID: 437059

Photo 1. Facing west near the proposed well location. Operator submitted a Form 4 Sundry Notice (doc #401690023) for the above well stating it has not been drilled; therefore, this is a well release on an active location. This inspection confirms that three (3) wells have been drilled at the location.
