Oil and Gas Conservation Commission  
State of Colorado  
Room 237, 1845 Sherman Street  
Denver, Colorado 80203

Gentlemen:

In response to your note regarding the above captioned well, this is to advise that the location is still too wet to clean-up properly. Therefore, as soon as this work has been done, we will file the subsequent report on Form 4.

If you prefer that this form be filed prior to the location clean-up, please let us know.

Very truly yours,

DYCO PETROLEUM CORPORATION

*Roy H. Reeves*
