Mr. Nick G. Kritsas  
Nine Mile  
Meeker, Colorado

Dear Mr. Kritsas:

We have received a request from the United States Fidelity and Guaranty Company to release the bond on the well drilled by you on the NE/4 NW/4, Section 17, Township 1 North, Range 93 West.

You have been asked a number of times to submit the completion report and plugging report on this well. To date, we have received none of the forms that are required after a well is completed.

Until the Completion Report OGCC Form-5 and the Plugging Record OGCC Form-6 are filed, we cannot release the bond.

Your immediate attention to this matter will be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION  
OF THE STATE OF COLORADO
