

W-7

Date July 20, 1959

Nick G. Kritsas

Nine Mile Meeker, Colo.

Gentlemen:

A review of our records indicates that we have not received the completion report on the following wells:

<u>LEASE</u>	<u>LOCATION</u>	<u>FIELD</u>	<u>COUNTY</u>
<hr/>			
#1	First National Bank of Meeker, Colo.		
	17-1N-93 W	WC	Rio Blanco

~~last report Feb. 19, 1959 advising well not completed at this date and expects to do more drilling and take more tests...~~

Would appreciate receiving present status on this well... thank you.
We received your notice to abandon this well on _____; however,
we must also have the completion report on our form OGCC-5, in order to close well file.

If this well has not been drilled to date, please advise.

According to the Rules and Regulations of the Commission, completion reports should be sent in within thirty (30) days after completion of a well. Three (3) copies for wells drilled on Patented or Federal land, and Four (4) copies for wells drilled on State lands. Some blank forms are enclosed for your convenience.

Your prompt attention to this matter will be appreciated.

Oil and Gas Conservation Commission
