RE: ECMC Form 9 Subsequent Attestation

Dear Mr. Palmer:

COGCC Rule 218.d.(1).C.i requires an attestation signed by both Selling and Buying Operators attesting to all the contents of the Form 9 – Subsequent. Abundance Energy Services LLC (“**Buyer**”) and Arkoma Operations, LLC (“**Seller**”) have finalized the transaction to transfer ownership of a group of wells and associated facilities as found in Form 9-Subsequent document # 403852990. Both buyer and seller do attest that the information found in the subject Form 9-Subsequent to be true and correct.
