Mr. Nick G. Kritsas
Meeker,
Colorado

Dear Sir:

The notice of intention to drill the No.2 First National Bank of Meeker is being returned for location and footage.

It has been noted on the intention that you have already drilled to 38 feet and set pipe. Since this was done prior to approval from this office it is in Violation of the Rules and Regulations of the Commission.

An intention to drill was not enclosed when we received the bond on January 23.

Please return the completed form as soon as possible.

Very truly yours,
OIL AND GAS CONSERVATION COMMISSION
