Mr. Robert H. LaGrange
Post Office Box 450
Meeker, Colorado 81641

878-4329

Dear Mr. LaGrange:

This letter will confirm our phone conversation on this date, regarding the estate of Nick G. Kritsas.

As I pointed out to you in our conversation, this office is concerned with the plugging and abandonment of two wells drilled by Mr. Kritsas for the exploration of oil and gas.

We enclose copies of the two bonds that we hold for the ultimate abandonment of these two wells. We are also sending you a copy of the Rules and Regulations of this Commission and have marked Pages 11 and 20 as they apply to this situation.

We will appreciate a reply from you at your earliest convenience as to whether you will make arrangements to plug and abandon these wells or if you wish for this office to accomplish the abandonment of these two wells.

If you have any questions in this regard, please advise.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

James A. McKee
Associate Petroleum Engineer
