RE: FUTURA HORSE VILLAGE 41-3 NO.2  
SW NE SEC 3-T1N-R68W  
WELD COUNTY, COLORADO

RECOMMEND THAT STATE EXCEPTION BE APPLIED FOR ON SUBJECT WELL SINCE  
AUTHORIZED LOCATION IS UNACCEPTABLE BECAUSE OF TERRAIN. NEAREST  
DRILLABLE SITE IS 654 FEET FROM AUTHORIZED LOCATION AND, THUS,  
OUTSIDE OF THE 200 FOOT TOLERANCE NORMALLY PERMITTED BY THE STATE.

CLOSEST DRILLABLE LOCATION IS 2390 FEL AND 2490 FNL. THIS IS  
1218 FEET FROM ITS NEAREST OFFSET, THE UPRR 43 PAN AM B NO.1, WHICH  
IS 1980 FWL AND 1980 FSL, SECTION 3, T1N, R68W. WE FEEL THAT THIS  
LOCATION WILL PERMIT REASONABLE DRAINAGE IF THE STATE WILL PROVIDE  
AN EXCEPTION.

F. H. DILLARD  
MONTBELLO  
END
