General Comment:

This is an environmental inspection for Location ID 331811 HSR-Wilson tank battery. Please note, the Location is ID is for the nearby wellhead as the tank battery does not currently have its own Facility ID. The inspection was done at the tank battery. Any corrective actions from previous inspections that have not been addressed are still applicable. There were no operator or contract environmental personnel on location at the time of this field inspection. Photos attached to document site conditions.
