Comment:

The operator acknowledged the the Corrective Actions in Form 27 #403926376 received on 09/18/2024 with the comment" ECMC removed the final closure request for this form due to a recent on-site inspection conducted on 07/25/2024 that revealed a ground spill that violates ECMC regulations. Implementation schedule has been updated in accordance with Rule 913.d. Additional sampling will be conducted to fully delineate the vertical and lateral impacts to soil. Noble intends to address the COAs within 6 months of submittal of this form, site access and weather conditions permitting. The requisite quarterly Form 27 forms will be submitted as necessary"

The operator will continue with the investigation plan as listed in form 27 #403926376.
