General Comment:

On 11/12/2024, Western Reclamation Work Lead Trujillo conducted an inspection at Laramie Energy LLC's Piceance/28-10 Pad Location in Mesa County, Colorado.

This inspection is a follow-up to #696206345 to document compliance with the following corrective actions:

- Spill Cleanup
- Caps/Plugs at tanks

This inspection is also in response to FIRR #403949488 stating CAs have been completed; it was observed in this inspection that the CAs have been resolved.

The following compliance issues were observed during this inspection:

- Spill/leak at wells
- Stormwater

Due to technical difficulties, inspector was unable to submit this inspection report within an appropriate timeframe- Operator was provided notice of the compliance issues and corrective action requirements in an email on 11/15/2024.

Refer to the Location and Stormwater sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspection that have not been addressed are still applicable.
