**OPERATOR COMMENT AND SUBMITTAL**

Comment: Repairs were made immediately to control the leak. The reclamation will be an ongoing project as weather permits. No pictures were taken. The form will not let you submit the FIRR with out both C/A's being answered. Maybe you need to add a work in progress as all of the enforcement people advise to keep ECMC informed on progress.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
