Storm Water:						
Loc Erosion BMPs	BMP Maintenance	Lease Road Erosion BMPs	Lease BMP Maintenance	Chemical BMPs	Chemical BMP Maintenance	Comment
Comment:		<div>The culverts along the access road have been cleaned out and road base was applied at the culvert areas to promote drainage off the road. The erosion along the cut slope has been repaired and tracked for temporary stabilization. All disturbed areas will need to be seeded before the upcoming growing season. There are concerns of the slope at the top of the cut slope bench which may direct stormwater back onto the location.</div>				
Corrective Action:						Date:
Pits:		<input checked="" type="checkbox"/> NO SURFACE INDICATION OF PIT
