<p>ECMC Inspection Report Summary WEATHER CONDITIONS: sunny, dry ground. On Monday, December 16, 2024 at approximately 1045, I, Inspector Brittani Santistevan, conducted an on-site inspection at LEHAN #2 (Noble Energy, Inc), at location ID: 326864 in WELD COUNTY, Colorado. While there, I observed a shut in facility. During this inspection the following possible compliance issues were observed: 1. It appears to be overgrown vegetation on the access road. See attached photo #1, 2.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	12/16/2024
