**General Comment:**

CECMC Inspection Report Summary

On 12/11/2024 at approximately 12:42 hours, I, Compliance Specialist, Wayne Smelser  
Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC Federal RU 34-6 Pad.  
Location # 335044 in Garfield County Colorado.  
Location is within High Priority/Density/NSO/Black Bear Habitat areas.  
While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1. Equipment - Open ended load line with a CA date of 12/22/2024
2. Equipment - Multiple open ended piping on separator unit/wildlife hazards with a CA date of 12/22/2024

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with CECMC rules.

This is a summary of inspection report.
