DESCRIPTION OF COMPLAINT

(Please be as specific as possible)

Location of Concern*

Please provide as much detail as possible. It is important to narrow down the location.

Verdad Resources- Countyline Well site

On Weld County Rd. 2 between i76 and Weld county Rd. 39.

Detailed description of the issue(s)* (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

The construction of the well pad has been completed, and the site is currently experiencing ongoing activity. Semi-trucks are arriving and departing continuously, with an average frequency of four to five trucks per hour, while an operational pump functions around the clock. Furthermore, a compressor operates continuously, resulting in elevated noise levels. A bright light tower is on from dusk until dawn. It is important to note that no landscaping has been conducted at this site, and the combination of wind and truck movement contributes to significant dust issues. Thank you for your attention to these operational details.
