Comment: After reviewing the Operator supplied drone imagery, the Location has undergone a land use change to agricultural storage yard. All up stream equipment (tank battery, etc) appears to have been removed, however, it appears that midstream equipment is still on location. Operator shall work with midstream company to remove all surface equipment or provide documentation that equipment is stil active/in use. Refer to attached inspection photos.

Corrective Action:	Perform reclamation in accordance with Rule 1004 to remove all equipment from disturbance areas.					Date
