Comment:

	Appears the Operator has performed final reclamation activities, with the evidence of seeding and recontouring. Germination of desirable species was observed throughout the disturbance area excluding the former access road. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.	
Corrective Action:	Former access road has failed to establish desirable vegetation and appears to be compacted compared to surrounding areas. Perform additional decompaction and reclamation according to Rule 1004.	Date _____
