Dear Mr. Sullivan:

As you will recall, on October 7, 1960, I wrote you a letter concerning the No. 1 Catherine Mock well in Section 29, Township 34 South, Range 59 West, Los Animas. Mrs. Sullivan received this letter and as yet we have had no reply.

We would also like to have a completion report on the No. 1 Roberts in the SW NE, Section 18, Township 34 South, Range 61 West, the No. 2 Sandoval well SW SE, Section 4, Township 34 South, Range 62 West, and No. 3 Carlos Sandoval, SW SE, Section 4, Township 34 South, Range 62 West.

For your information, the Oil and Gas Conservation Act provides for a penalty of not more than \$1,000.00 for each act of violation and for each day that such violation continues.

The above cited completion reports should have been submitted to this office within thirty (30) days after the wells were completed. We have been attempting to close these files for some time, and would appreciate your prompt attention in this matter.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO
